

It's Time to Celebrate!

As you may already know, the New Zoo is officially moving forward! At their meeting last night, the Elk Grove City Council voted to approve this transformational project. With this important vote of approval, the New Zoo will now officially move into final design and construction.

While there is still much work to be done, we wouldn't have gotten this far without our Zoo family and your support for the New Zoo. We will continue to keep you apprised of the project as the Sacramento Zoological Society and the City of Elk Grove continue to make exciting strides toward opening day.

Thank you to those who have generously pledged to support our Vision for a Wild Tomorrow Capital Campaign for the New Zoo!

For those who have not yet pledged your commitment to helping the Sac Zoo raise funds necessary to bring a world-class zoo to our region, please contact Shauna Ross at sross2@saczoo.org or (916) 808-7709 to learn how you can help make the New Zoo a reality for the animals and for generations of zoo-goers of all ages.
